

**PETITION TO THE HOUSE OF COMMONS OF CANADA IN PARLIAMENT
ASSEMBLED**

We, the undersigned residents of Canada draw the attention of the House to the following:

THAT, Canada is the only nation in the world without any laws protecting pre-born children. And Canada's Supreme Court has said it is Parliament's responsibility to enact legislation protecting fetal interests (*R v. Morgentaler, 1988*);

THEREFORE, your petitioners call upon Parliament to speedily enact legislation that brings Canadian abortion regulations into line with those of other developed nations.
